

FUNERAL

PRE-PLANNING INFORMATION

Although it's something that we don't like to think about, eventually the day will come where you will require the assistance of funeral services. Tipene Funerals is about ensuring that - our family serving your family in the time when you need us most, however, with a little pre-planning now, you are on your way to having the funeral you want and deserve...

Some of the things you may like to consider are:

- Type and Style of funeral you want
- Whether you wish to be buried or cremated
- Your choice of casket and/or urn
- Whether you would like flowers, music and readings at your funeral
- Where you wish to have your funeral ie: Marae, Church, Home and if you wish for burial at which cemetery or urupa
- Any other features you may like such as who your pallbearers are, newspaper notices and Order of Service sheets.

Pre-planning a funeral helps you to choose the type and style of service you wish to have. If you would like to talk further and discuss your options, you can phone any of our friendly staff on 0800 568 464.

There are a couple of ways that we can assist you to pre-plan your funeral.

1. You may wish to continue to fill the following pages in and have a discussion with one of our friendly funeral directors,
2. You can contact us by phone and have a discussion over the phone,
3. Come in and meet with any of our funeral directors and have a discussion over a cup-of-tea.
4. Make a time with us to come and visit you and talk over any areas of your funeral you would like to discuss.

Pre-Planning Consultation:

Should you have any questions or wish to discuss further on processes about arranging funerals when the time comes, any of our friendly funeral directors are highly professional and experienced to help deal with all your enquiries that you may have.

All aspects of your personal preferences can be recorded and if required, calculate a budget estimate for you and your planning.

After your settled with the discussion, a copy of all the details are kept private and confidential, and can be kept on file for you and your family for when the time comes, therefore it becomes a matter of carrying out your wishes and working with your family at the time.
